

Online Innovation Programme Application

The SAIC Innovation and Industry Engagement Programme, created in collaboration with Skillfluence, is a popular six-day and two-day residential course. In response to the Covid-19 crisis, we have developed this programme into a series of online events available to Scottish aquaculture professionals. The six-week online programme will begin on 16th March and delegates must commit to attending all workshops, which are scheduled to take place between 4pm and 6pm.

CRITERIA

Delegates must be:

- 1: Employed by a Scottish aquaculture organisation; or
- 2: Undertaking a university or college course in an aquaculture related field in a Scottish academic institution; or
- 3: Working in or studying aquaculture in any country and able to pay the £395 course fee.

How to submit your application

Interested parties are invited to submit this form by 5pm on **Friday 26th February 2021** to SAICskills@sustainableaquaculture.com.

Applicants will be informed of the outcome of their application by Friday 5th March.

Full name	
Current employer or academic institution	
Country of current employer or academic institution	
Organisation type (please put an X beside the most appropriate description)
